

2018 ILCA WORLD & EurILCA EUROPEAN CHAMPIONSHIPS

UKLA QUALIFICATION.

RADIAL

IMPORTANT: All sailors who are interested in entering any of the World or European Championships must enter their intention to compete on the ILCA (for Worlds) or EurILCA (for Europeans) Championship web site. There may be a deposit to pay. For the ISAF World Championships, see below.

AWARDING OF PLACES: At the end of qualification period, the UKLA office will produce a ranking ladder and authorise ILCA / EurILCA to send entries to those on their entry list who have qualified for a place via the UKLA ranking in that order. NB: Sailors must be on the Ranking Ladder in order to qualify for an entry.

CLOSING DATE: For the first round of place allocations you must enter on the ILCA / EurILCA championship site by the initial closing date set by ILCA / EurILCA.

EXTRA PLACES: Extra places may be offered to UKLA by ILCA/EurILCA. All those who entered before the closing date or qualification date, whichever is the later, will be offered a place in ranking order. Those who entered after the initial allocation of places will be offered a place in order of date of application, not in accordance with their ranking position.

Note that it is possible that, in order to prevent UKLA being financially liable for untaken places, a 'commitment procedure' may be introduced. Failure to comply with such procedure may result in no place being available even though qualification may have been achieved.

SCORES FOR NON-ATTENDANCE: Scores for 'no shows' will be given as the number of competitors on the relevant ladder plus one. [NB: In the case of the Youth Ladder, should the number of sailors on that ladder be less than the result at a Qualifier, the results not being re-scored, then the number of entries at the largest Qualifier plus 1 will be used as the score for a 'no show'.]

MEMBERSHIP: A sailor must be a member of the UK Laser Association to be entitled to a place. Any sailor who is a member of two Laser Associations must inform UKLA and the other Association, which country they intend to qualify in before the start of the UKLA Qualification series.

SPECIAL DISPENSATION 2017 for 2018: Due to the WS World Cup event in Japan (15th to 22nd October), clashing with two UKLA Qualifying events (Q17/5 & Q17/6) a special dispensation may be given to any UKLA competitor attending that event for that competitor to be given average points at Q17/5. Q17/6 will be scored as for a 'no show'. Competitors who wish to make use of this dispensation shall inform the class secretary before 10th October.
