

PRESS RELEASE

Partnership between UK Laser 4.7 class and Sailingfast

Sailing**fast** are delighted to announce an exciting partnership with the UK Laser 4.7 class. Sailing**fast** are Official Laser Dealers and are very keen to support both Elite Athletes like Lorenzo Chiavarini as well as our Junior sailors, the future of the Laser Class.

Justine Rockett, class administrator and 4.7 parent tells us, 'It's great to have Sailingfast involved as a title sponsor. Not only do they have the spares needed, but they are also a font of information and advice.'

Sailing**fast** have agreed to support the UKLA 4.7 Ladder and as title sponsor will donate prizes to each of the 10 events over the coming season. At the heart of the agreement, is the desire to improve the quality of the events and to deliver a better experience for the sailors.

Sailingfast owner Duncan Hepplewhite says, "I am delighted that we are able to offer support to a great group of aspiring, young sailors. It is exciting to think that we could be helping the next Paul Goodison or Alison Young, develop their Laser sailing career".

The Sailing**fast** Team will be onsite at a number of the key 4.7 events throughout the coming season, including the Winter Championship at Draycote on the 21st & 22nd of January and the combined Laser Qualifier at Weymouth and Portland National Sailing Academy (WPNSA). The Sailing**fast** van will be fully stocked with Laser spares to keep the fleet on the water. If sailors have any special requests, pre-ordered spares will be delivered to these events with no delivery charge.

For more information regarding the Sponsorship agreement or to order spares please contact the Sailing**fast** Team on 01324 861 756 or via email info@sailingfast.co.uk

Sailing**fast** are an online and mobile chandlery specialist – delivering faster sailors. With dealerships including **WASZP**, Laser, Mackay Boats, Optiparts, North Sails One Design and Topper, whether you are new to sailing or a seasoned pro, we are on the web and at the end of the phone to help with your sailing needs.
